

*If you have ideas, we want to hear them!
You do not have to be a Village member to serve on a committee.
Short-term participation to work on special projects or to
accommodate travel are encouraged.*

Executive

A steering committee that identifies and prioritizes issues related to the overall functional and financial health of the Village for the full board to address. The Executive Committee is composed of the immediate past president of the board, plus the current officers.

Governance

The Governance Committee defines the structures and policies that support good functioning and organizational integrity.

Health and Wellbeing

Develops the programs and resources that help the Village community and their families navigate all aspects of well-being - mental, emotional, financial and physical - including preventive measures such as brain health and fitness; and chronic or progressive conditions such as memory loss and heart disease.

Investment

Oversees and safeguards the financial health of the Village by managing our long-term investments and savings.

LGBT+ (The "A" is for Ally)

Promotes inclusion by acting as a welcoming and open conduit between LGBT+ communities and the Village; develops engaging educational and social events, and explores the unique issues of aging faced by LGBT+ individuals.

Life 3.0

Creates opportunities for individuals facing work and purpose transitions to explore how they want to live and work in later life.

Member Experience

Helps attract, integrate, and retain a robust membership community surrounded by welcome, acceptance, choices, support, growth, and entertainment.

Program

Identifies the interests and needs of the Village community and develops programs and events that fulfill them.

Research

Vets and promotes research participation opportunities; assists with design and implementation of member surveys; and recommends actions and initiatives based on survey results.

Resource Development

Supports the Village's financial health through fundraising, building donor relationships, and seeking grants and estate gifts.

DEI Task Force

Identifies, recommends and engages individuals, programs, and collaborations that will expand diversity, equity, and inclusion throughout the Village community.
